Multiple  
Meaning  
Word  
Task Cards

# Multiple Meaning Words

Do your students have trouble with multiple meaning words? If so, this is the activity for you!

Print and cut out the 50 cards. Each card has two sentences in which the student must determine which multiple choice word would appropriately fit in both sentences. Each sentence has 3-4 answers to choose from.

There are two sets of these task cards. The first set has reptile/amphibian graphics on each card. The second set is just the wording to save you ink!

These task cards work great for centers, review, or playing the game "Scoot"!

\*\*You can use the answer key as is, or write the correct answer on the back of each card so students can check themselves. This would make the activity more appropriate for centers.
