Why Advertise with HoJo

HoJo is an elementary teacher who spent nearly a decade in grades K-6, and she also spent a year as the elementary principal of two schools and as the district's K-12 special education director. Her blog posts cover all the topics associated with running an elementary classroom, as well as being a leader in the school. HoJo currently teaches online college courses, does virtual assistant work, sells teaching resources on Teachers Pay Teachers, and stays home with her young son. HoJo's followers are loyal customers who love learning new ways to be more effective in the classroom.
